About Castlewood

Castlewood is a school with the community at its heart. A welcoming and inclusive school, where children love to learn and are proud of being part of a happy, caring community. Our school has a highly-skilled and experienced staff team, whose dedication demonstrates the commitment to see every child achieve success and achieve their full potential.

The school has extensive facilities including: a playing field, daily mile track, sensory room, two libraries, Clevertouch white boards in every classroom, an outdoor classroom as well as additional flexible classroom space.

Community Partners

The Supporters of Castlewood School (SOCS) arrange a variety of events throughout the year, which bring the community together and raise funds. These are donated to the school to develop the learning environment and enhance pupil experience. In the past few years, SOCS have raised funds to fully fund the new Daily Mile track, the outdoor classroom, providing new ICT resources and musical instruments. Their generosity also funds significant moments for our pupils such as Christmas pantomime performances, Leavers' hoodies and other magical moments over the year.

Castlewood is a proud and active member of West Horsham Schools Network. This provides partnership and collaboration opportunities for Castlewood and its staff. Castlewood staff have led a number of key initiatives as part of the network, and have benefitted from collaborating with other local schools and professionals through activities such as: headteacher forums, access to a Primary Mental Health Worker, shared INSET and development days, moderation exercises and regular forums to share best practice (SENDCos, bursars, subject leads).

Our Vision & Learning Powers

Developing the Whole Child to be 'World-Ready'

Castlewood Primary School works hard to ensure that the curriculum supports the learning, progress and success of all pupils. It is important to all stakeholders that the curriculum we offer at Castlewood develops the whole child to be 'World-Ready' and goes beyond the acquisition of knowledge. We ensure that all pupils have access to a broad and balanced curriculum which promotes the spiritual, moral, cultural, mental and physical development of the whole child, thus preparing them for the opportunities, responsibilities and experiences they may encounter in later life. The curriculum is implemented by a whole-school focus on three main areas: brain, heart and soul - **our Castlewood Learning Powers**.

Our **Heart Power** - this Learning Power is shown through being a good human. Kindness, respect and positive relationships are key.

Our **Brain Power** - this Learning Power is all about being active, engaged and independent, working hard to achieve our best.

Our **Soul Power** - our positive attitude to learning is how we use this Learning Power. We are brave, resilient and curious.

Castlewood Priorities

As part of our school development plan and the wider governing board strategic agenda, we have a number of priorities, including:

1. Continued development of our English curriculum

Monitor changes implemented to improve progression in writing and grammar, and outcomes for pupils.

2. Focus on developing foundation subjects

Monitor impact of foundation subject changes including development of Castlewood Learning Bricks and 'sticky' knowledge.

3. Navigating school through changes in education landscape

Monitor school finances to maintain strong position against backdrop of education sector challenges, identify and assess future options for Castlewood in relation to academies agenda.

Our latest Ofsted Inspection (January 2023)

'Leaders are determined that by the time pupils leave Castlewood, they will be 'world ready'. This ambition is realised through a school-wide culture of high expectations in terms of pupils' learning, behaviour and character development.'

'The 'heart, brain and soul' learning powers are valued by pupils and motivate them. Pupils also enjoy being members of their castle houses and the resulting relationships they build across year groups.'

'There is a shared sense of pride about being part of the Castlewood team. This team is unwavering in its determination to provide pupils with an enjoyable and successful school experience.'
