

## English

We will be travelling on feet, wheels, wings and water in our topic as we learn about different forms of transport through the years. We will be learning about space, bicycles, cars, trains, buses and air travel. We will be reading lots of non-fiction and fiction stories about transport, including 'The Naughty Bus' and in contrast texts about pioneers such as Amelia Earhart. We will be developing our creative writing by writing in different genres including descriptions, poetry, fact files, letters and stories. We will focus on ensuring we have used punctuation correctly and having 'a big push' on handwriting and letter formation.

## Art & Design and Technology

We will be creating our own prints using mechanical parts to create our own picture. We will be learning about forces and wheels in order to create our own vehicles.

## Science

During the Spring term, we will be learning about animals including humans. We will be using terms such as carnivores, herbivores, amphibians, reptiles and mammals. We will also be exploring our senses with lots of fun investigations.

Year 2

SPRING TERM

# On the Move

## Maths

We will be working on our fluency with mathematical calculations, such as our number bonds to 20, 50 and 100. This term the main focus will be multiplication and division moving onto length, mass and capacity.

## History & Geography

During the term, we will be learning about different vehicles and how they have changed over time and why. We will spend time looking at how people travel in different parts of the world compared to the UK.

## E4S

This term we will be learning about being healthy. This will include healthy diets and the importance of being active.

## RE

We will be learning about Christianity and Islam this term and listening to special stories in these religions.

## Music

We will be continuing our singing skills, learning a range of songs. Our Spring unit of learning is called, 'I want to be in a rock band', we will be singing and playing instruments.

## Computing

During the term, we will be exploring algorithms and exploring different games on Purple Mash. We will keep working on our typing skills as well.

## PE

In PE we will have a weekly outdoor lesson and an indoor PE lesson. We will be learning to jump and having jumping competitions! We will also be using movement in dance.
