

MEET THE GREEKS

ENGLISH

We will be reading: Greek Myths, Who Let the Gods Out? and a range of non-fiction texts.

We will be writing in a range of genre, developing our skills in: adapting our writing to a range of audiences, using a wide range of punctuation, using richer and more powerful vocabulary for its effect on the reader and understanding how to adapt between levels of formality.

SCIENCE

During the summer term we will be focusing on our practical scientific investigation skills.

We will carry on learning about the classification of living things. Using the findings of the Victorian scholars, it will help us to understand how living things continue to be classified to this day.

We will also be focusing on the science of our changing bodies and developing our understanding of puberty in tandem with the E4S curriculum.

E4S (Education for Safeguarding)

We will be re-visiting the subject of puberty and relationships as well as preparing for our transition to secondary school.

PE

We are all looking forward to a summer of sporting opportunities, building on the success of the autumn and spring terms. We will be developing our athletics skills, practising rounders and competing at cricket.

FRENCH

During this term we will continue to broaden our vocabulary and improve our pronunciation while learning more about French life.

MATHS

We will be learning about the famous Greek mathematicians: Euclid, Pythagoras and Archimedes, and how their discoveries relate to shape, space and measure.

We will be applying our mathematical skills to a wide range of problem solving situations and sharpening our skills in readiness for Year 7!

HISTORY & GEOGRAPHY

During this term, we are going to explore life in Ancient Greece and find out how the progressive thinkers of that period still influence our lives today. We will study how the physical geography of the area influenced the lives of Ancient Greeks.

THE ARTS

Greek culture will inspire our work in Music, Art and Design Technology. We will be making a Greek inspired cushion using acrylic paints and also a Greek pot using clay.

We look forward to the Year 6 Leavers' performance – get your tissues ready for a fond farewell!

RE

In RE, we will be looking at Buddhism and wondering how the Triple Refuge helps Buddhists through their journey through life.
